

## **MISSION STATEMENT**

St. Pius X Grade School, a creative educational experience rooted in the Gospel Message, provides a standards-based program of academic excellence founded on Catholic tradition, nurtured in a caring partnership among students, family, faculty and parish community.

Our Mission is reflected in the following:

### **Message:**

We pledge to integrate the teachings of Jesus Christ into the daily learning experiences of each child.

### **Community:**

We strive to foster in each child respect for and acceptance of the individual differences within our school, parish, local community and world families.

### **Worship:**

We work to instill in each child and family the importance of practicing daily prayer, participating in liturgy and receiving the sacraments.

### **Service:**

We nurture in each child the desire to follow Jesus' example through service to fellow students, teachers, staff, family, parish and the larger community.
