I am deeply honored and humbled to be leading St. Pius X Grade School as we are entrusted with the mission to help your very special child grow in the Catholic, Christian tradition.

I am a product of our wonderful Catholic Schools. I attend St. Charles Borromeo Grade School and Pius XI High School. I earned my undergraduate degree at UW – Milwaukee, my Masters at Silver Lake College and my Administrator’s License at Marquette University. Prior to coming to St. Pius X I taught nine years in Catholic Grade Schools in the Milwaukee Archdiocese and eight years at Catholic Memorial High School in Waukesha.

I view St. Pius X as a wonderful opportunity to serve the Archdiocese of Milwaukee and give back to those who gave me so much.
