

St. Pius X Grade School

A Place Your Child Will Grow

Prospective Families

St. Pius X Grade School acknowledges the role of parents as the primary educators of their children. We are dedicated to partnering with families in the pursuit of educational excellence.

At St. Pius X **We Grow Your Whole Child.**

We offer a comprehensive, standards-based curriculum that integrates Catholic values throughout student life. We are committed to bringing alive the Gospel in our community and instilling in our students service to others as a life-long habit. We build the foundation for life success.

All new families will be matched with a Mentor Family. New students will be matched with a “Big Buddy”.

New Family Discount

Families that are new to the school are eligible for a one-time \$500.00 tuition discount. The discount does not apply to 3K but will be carried over to 4K.

Admission Information

St. Pius X School respects the dignity of the child. Neither race, nationality or other forms of discrimination shall prevent a child from being accepted at St. Pius X. Children of other religions may be accepted on a seat available basis unless attendance would cause conflict for the child because of the unique religious philosophy of these educational programs.

We recognize, however, that we are not equipped to meet all of the exceptional, educational, and emotional needs of children. We are unable to admit children who:

1. Have a serious learning challenges.
2. Have a recent history of serious emotional issues.
3. Have a recent history of serious discipline issues.
4. Have shown a measurable lack of effort in previous schools.

All students are on probation during the first year of their attendance at St. Pius. During this period St. Pius reserves the right to deny future attendance at the school if teachers cannot meet the educational, emotional and/or behavioral needs of the new student.

Age Requirements

Kindergarten registrants must be 3 (for 3K), 4 (for 4K), or 5 (for 5K) years old on or before September 1ST of the year they intend to enter school. Ages must be verified by a birth certificate and immunization records must be complete. The principal may waive age admission requirement.

Registration

Registration for the fall begins the last week of January. Please contact the school office for an enrollment packet.
